MANHOOD: HOW LOST, HOW RESTORED.

Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHOEA, or seminal weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments in Marriage, etc.; also, CONSTIPATION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

Price in a sealed envelope, only six cents. The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. This Lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two post stamps. Address the publishers, CHAS. J. C. KLINE & CO., 127 BOWERY, NEW YORK. June 15, '64 ly Postoffice box 4666.

The peculiar taint or infection which we call SCORFUA lurks in the blood of multitudes of men. It either produces or is produced by an encrusted, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay.

contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children unto the third and fourth generation; indeed, it seems to be transmitted from the father upon their children. The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, disordered digestion from indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is published and distributed gratuitously, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may be able to access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul excretions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and wonderful Tonic, corrective and alterative of wonderful efficacy in diseases of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Indigestion of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against miasms engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge, and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being laid with quinine for months in vain, truly find relief saturated with that dangerous alkali, as not infrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Losses of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Billings, Cole & Co. is immediately assumed by a single share of the stock, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Debility arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-inforce and re-establish them.

Stand, but not least, it is The Only Safe Stimulant being manufactured from pure and innocuous materials, and entirely free from acid elements present in most of all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly said, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
